Leadership	HTML
CSS	

PROFILE

I'm a dedicated UI/UX Designer with a robust background in user-centered design and a UI/UX Certificate from the University of Alberta. Proficient in Adobe XD, Figma, Adobe Photoshop, and more, I excel in User Interface Design, Design Strategy, and UX Research. I create intuitive, visually appealing interfaces, align design strategies with business goals, and conduct comprehensive user research. My HTML and CSS skills facilitate seamless collaboration with developers.
